Connecting communities through the power of the internet

Regain 37 Pvt Ltd is a social enterprise that is bridging the digital divide through the provision of Pay as You Use solar powered e-learning tools while using solar home systems to light up classrooms. Through REACT SSA, the company is powering more schools with solar systems while providing digital e-learning tools in all the 10 provinces of Zimbabwe.

Expected Impact

-  **564,900** school children reached.
-  **12,105** teachers reached.
-  **363** rural and off-grid schools reached.
-  **1,633** solar panels installed.
