Installing back up solar kits for homes and businesses in Ouagadougou

Microsow SARL offers a wide range of solar energy services including the supply and installation of solar energy and pumping systems. The company also provides technical advisory services for monitoring and control of installations of solar energy. Through REACT EEP, Microsow is installing back up solar kits to households and SMEs (mostly pharmacies) in Ouagadougou.

Expected Impact

295 households reached.

33 SMEs reached.

1,475 people reached.
