

## OOLU BF SARL

**Burkina Faso** | 
 
**Productive Use of Energy (PUE) + Solar Home Systems** | 
 
**US\$700,000**

### Providing households with access to quality solar products

Oolu is a PayGo company that sells, installs, and maintains solar home systems for rural and peri-urban communities in Mali, Burkina Faso, Nigeria and Niger. With funding from REACT SSA, Oolu is expanding its operations in Burkina Faso, reaching more clients with a wide range of solar products including productive-use systems.

### Expected Impact

-  **2800** productive-use products and systems installed.
-  **54,375** Pico solar home systems installed.
-  **18,125** TV solar home systems.
-  **72,500** rural and peri-urban households reached.
-  **362,500** people impacted.
-  **4,131t** CO2e avoided.
