

LEN TWO INC.

Liberia

Solar Home systems

US\$400,000

## Distributing high quality solar products in Liberia's Firestone Plantation.

LEN TWO is a solar home system distributor that focuses its activities on Firestone Plantation in Liberia. Through REACT SSA, the company is distributing affordable, durable, and user-friendly, solar home systems to the families within the Plantation/Concession segment of the Firestone Plantation. LEN Two is also providing end user financing to ensure affordability of its solar products.
