

## FREQUENTLY ASKED QUESTIONS

Question	Answer
<p>We would be grateful if you could confirm <b>whether international firms registered and based in Australia without registration in Kenya or Somalia may apply</b>, provided that all mandatory documents such as company registration, tax compliance, and statutory documents from the firm's home country are submitted.</p>	<p>The TOR provides that we are seeking those who are registered in Somalia and have similar experience, whether they are international or local.</p>
<p>We kindly request for the Log frame and the Detailed Programme Document to ensure our submission is fully aligned with the requirements. Please also share any other guidance materials or background documents that you consider important</p>	<p>We can't provide project documents to the outsider; the project document is very confidential. Most of the information on the long frame is on the TOR, and that must be enough.</p>
<p>I am writing to seek clarification regarding the eligibility requirements for the consultancy. The Terms of Reference indicate that applying firms should provide evidence of similar previous experience, <b>at least 7 years.</b></p> <p>Based on the information provided in the ToR we would like to confirm whether a firm established in 2019, with continuous work and a strong global portfolio since then, would be considered as meeting the minimum five-year threshold.</p> <p>We are fully prepared to submit a complete technical and financial proposal, and we want to ensure that we meet all eligibility expectations before proceeding.</p> <p>We would appreciate your clarification at your earliest convenience.</p>	<p>We don't mind if the firm has less than 7 years of experience, as long as the firm has good experience and quality to meet the requirements of the assignment implementation.</p>
