

FREQUENTLY ASKED QUESTIONS

Training IIW-SS investees

Question	Answer
TOR requests a minimum of seven years of experience in SGBVH prevention, safeguarding, and gender capacity-building. Could you please confirm whether this requirement applies to the organization as a whole or to the individual consultant(s) proposed in the team?	It only applies to the lead consultant and must have a good experience of South Sudan GBV context
A bidder is registered and headquartered in Australia. Could you kindly confirm whether Australia-based firms are eligible to apply for this consultancy?	Any firm outside South Sudan can apply provided they have significant experience of South Sudan GBV context
Will the proposed training be face-to-face in nature, and if so, will it be in one central venue or various venues across the country as alluded to in the ToR?	It will be face-to-face, and it will be held in Juba. One central venue
Experience Requirement: The ToR specifies a "Minimum of 7 years' experience." Could you please clarify if this applies to the Lead Consultant's personal experience, or if the Firm itself must have been registered for 7 years?	It only applies to the lead consultant and must have a good experience of South Sudan GBV context
Local Presence: While we have significant experience in South Sudan, does the firm require a permanent registered office in Juba, or is it sufficient to operate through a local partner/associate for this assignment?	It doesn't have to be incorporated in South Sudan. Local experience is crucial.
